

25% Discount on Fees for User Rate Studies

Carl Brown Consulting is granting 25% discounts on fees to Wyoming Association of Rural Water Systems members for utility user rate studies. Check it out at carlbrownconsulting.com/general/WyomingRATES.pdf. Or, just call

Mr. Brown at (573) 619-3411 so he can scope your project and propose services and fees.

Visit gettinggreatrates.com to download free guides, articles and spreadsheets, to purchase the program called “SimpleRates©” and the book, “How to Get Great Rates.” The Association also has a small number of books to give away. Or, if you request a proposal from Mr. Brown, the book will be included in that package.

The Wyoming Association of Rural Water Systems hopes you enjoy this valuable membership benefit.
