CASPER - Wyoming Game and Fish Department officers issued 27 citations and 24 warnings for a total of \$4,630 in fines for fishing and boating violations at Glendo Reservoir over Memorial Day weekend.

Game and Fish says cool, rainy weather kept boating violations to a minimum and most citations issued were for fishing violations.

Glenrock Game Warden Gary Boyd says the top violation was for catching too many fish.

Officers 13 citations and seized 222 walleye from anglers who had too many fish.

One group of six anglers from Colorado had 71 fish. The possession limit for walleye is six fish per angler.
