

## **Dell expands e-scrap partnership with Goodwill**

Feb. 20 -- Dell Inc. has expanded its electronic scrap reuse and recycling partnership with Goodwill Industries Inc. to include part of Ohio.

On Feb. 20, Goodwill Industries of Northwest Ohio began accepting any brand of computer equipment in any condition free of charge under its Reconnect Program. In addition to reusing and recycling electronic scrap, the program provides jobs and training for disabled persons.

The program's goal is to reuse or recycle some 1 million pounds of computer equipment over the next year. Dell and Goodwill already have partnerships in Central Texas, North Carolina, Michigan, New Jersey, Pittsburgh, Philadelphia, San Diego and San Francisco.
