

## **Female volunteers sought for Habitat**

CODY - Lowe's and Mountain Spirit Habitat for Humanity are looking for female volunteers to work May 9 on a Habitat house construction site during National Women Build Week, May 4-10. Construction or home improvement experience is not needed.

Developed through the partnership between Lowe's and Habitat for Humanity, National Women Build Week celebrates the compassion, dedication, talents and abilities of women from all walks of life. Lowe's underwrites the Habitat for Humanity Women Build program, bringing women together to learn construction skills and then use those skills as part of the solution to poverty housing. More than 1,200 Habitat houses nationwide have been built by women.
