

## **NRC to sponsor free Webinar on recycling, life cycles**

March 22 -- The National Recycling Coalition is sponsoring a free Webinar, Recycling and Life Cycle Assessment: Possibilities, Pitfalls and Impacts.

The Webinar will take place from 1 to 2 p.m. March 25 at <https://www1.gotomeeting.com/register/958985872>. The program will address incorporating life cycle assessments into recycling programs. Martha Stevenson, public representative of the steering committee for global guidance for LCA Data of the United Nations Environment Program, will present.

According to the NRC, Life Cycle Assessment is used in carbon footprinting, packaging decisions and green building assessments. The Webinar is being sponsored by Bob Hollis, The Mobius Network LLC.
