

# ***Tearing it up...***

*Posted: Friday, Jun 13th, 2008*

BY: Tyler Richards

Ed Hawley (left) and his daughter Jennifer (middle) detour traffic on the 1900 block of Main Street in Torrington as Ed's Digger Service begins tearing up a portion of the street. The work on Main Street is part of the Downtown Improvements project, which will run throughout the summer as new water lines are placed and streets are resurfaced in downtown. Work on this section of Main Street is schedule to end June 26.
