

# Water Main Repair

Joint Combat Camera Center Iraq

Photo by Spc. Ernest Sivia III

Date: 01.18.2010

U.S. Soldiers, assigned to the 642nd Equipment Support Company, 7th Engineering Battalion, 194th Engineering Brigade, scoop mud out of a lake bed to make room for a pipe while repairing a water main in Al Batha, Dhi Qar, Iraq, Jan. 18. The water line supplies water to joint military bases within the Dhi Qar province.
